Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.

Geographical Distribution of JICA Operations (Technical Cooperation and Grant Aid)

*1 Total of disbursements for each fiscal year mentioned. Breakdowns of disbursements by fiscal year are unknown.

*2 The figures of Grant Aid is an aggregated amount of Grants committed through concluding of respective Grant Agreements (or Exchange of Notes before October 2008) in each fiscal year. In case of additional Grant, the incremental amount is counted on the fiscal year of the conclusion of the amendment. The figures in JFY1977 is the amount of ongoing projects implemented in JFY1978.
