JICA

Leading the world with trust

JICA values the relationship of mutual trust with developing countries and is working with them to rise to the challenges.

Building people-to-people relationships are the foundation of trust

JICA dispatches experts and overseas volunteers to developing countries, and in return welcomes government officials and specialists as training participants and overseas students. People-to-people connections established through human resource development are the foundations of trust between developing countries and Japan.

Accepted

13,090 training participants and students from developing countries were accepted in fiscal year 2022 (Cumulative total approximately 700,000 people)

13,090 people

Dispatched

9,438 JICA experts and JICA volunteers were dispatched in fiscal year 2022 (Cumulative total approximately 260,000 people)

9,438 people

Overview of Operations
