

**JAPAN INTERNATIONAL COOPERATION AGENCY (JICA)
SRI LANKA OFFICE**

**Request for Proposals
from Registered Veterinary Medicine Suppliers
to supply Veterinary Medicines and related Consumables.**

JICA is the implementing agency for Japan's bi-lateral Official Development Assistance (ODA) programmes/projects globally. JICA Sri Lanka Office, established in 1982, has been involved in numerous bi-lateral ODA assistance programmes/projects in various sectors through our main modalities - Japanese ODA Loan, Technical Co-operation and Grant Aid.

Considering negative consequences of economic crisis and natural disasters, to ensure sustainable and increasing dairy production in Sri Lanka, JICA Sri Lanka office is in the process of taking necessary measures to procure and supply Veterinary Medicines and related Consumables to the Government of Sri Lanka (Department of Animal Production and Health)

We are seeking registered and qualified Veterinary Medicine suppliers to supply planned quantities of Veterinary Medicines and related Consumables as per the pre-defined technical specifications.

Interested companies who are having full registration with Veterinary Drugs Control Authority (VDCA), under Department of Animal Production and Health are requested to express your interest to JICA Sri Lanka office through following contacts to obtain detailed tender documents (Copy of VDCA registration should be provided together with EOI).
