- Notes:**
- Figures for Japan's ODA (2006) are from materials supplied by the Ministry of Foreign Affairs (provisional figures).
 - Regarding figures for JICA's technical cooperation (FY 2006):
 - The numbers for technical cooperation projects and development studies are the totals of new projects only.
 - Names of technical cooperation projects and development studies are listed in FY 2006 Project List on the Statistical Appendix CD-ROM.
 - Cumulative numbers of persons are totals of new numbers only for each fiscal year.
 - JICA's technical cooperation expenses indicated above may not exactly add up to the total amounts given in other columns.
 - Figures for "unclassifiable within regions" (work carried out that involves several countries) and "other countries (Asia, etc.)" are not included.
 - Cumulative total refers to the sums of results from fiscal 1954 to 2006.
