報告書	報告書中のページ番号	pdfファイルでのページ番号	概要	記載内容
Lot1 ESIA report	page 120 of 162	288	Focus Group Discussionに関する記述	These were held separately with male elders, youths and women groups. All socio-economic and health issues and how they have been affected by previous development projects as well as what is to be expected in the current project were discussed. They felt needs of the communities, and possible ways of mitigating against the identified possible negative impacts due to the negative environmental effects that may arise in the transmission line projects in all the neighbouring communities were also discussed
Lot1 RAP report	page 49	50	Sowunmiコミュニティで実施されたコンサルテーションの概要	Participation Distribution: The meeting was attended to by 26 community leaders from 20 communities along the Olurunso Transmission Line Axis, made up of 20 Baales (heads of communities) 2 Women leaders and 4 youth leaders.
Lot2 ESIA report	4-130	270	Discussion with the vulnerable groups, women and youths;	Concerns raised were Provision of basic social amenities and infrastructure, and Influx of workers. Expectations from the project were Provision of basic social amenities and infrastructure; and Compensation.
Lot2 ESIA report	4-137	277	Women leaderを含むコミュニティからのコメント	<ul style="list-style-type: none"> Concern on the likely problem for the neighbouring communities and the fear that the project would not generate additional problems like vibration, noise, EMF and gaseous emission; Concern on health hazard and EMF effect; and Hoped that the substations would be built in line with the highest safety standards and would create the minimum disruption to communities
Lot2 ESIA report	4-137	277	Women leaderを含むコミュニティからのコメント	<ul style="list-style-type: none"> Non-availability of power to aid artisanship, thereby affecting quality of life. Where available, power supply has been irregular
Lot2 ESIA report	4-138	278	Women leaderを含むコミュニティからのコメント	<ul style="list-style-type: none"> Requested that some of their indigenes who are qualified are given special consideration in employment so as to forestall a situation whereby their folks can only be labourers; and Appeal for employment of their youths in order to give empower them economically
Lot2 ESIA report	A-47	419	Minutes of the Consultation with Baale, Community Representatives and Stakeholders in Ejio Community on 15th December, 2017における女性の発言部抜粋	To the Mrs Oyebo question on know how the issue of compensation and property valuation will be handled, Professor informed the participants that the team that will be coming for RAP in January and will take adequate record of their land and properties. He told them that among the consultants coming for RAP are different professionals/experts including qualified Estate Surveyor, Land Surveyor, and Demographers/Socioeconomic experts. The Estate Surveyor will use appropriate measures based on existing standard to calculate whatever is due to each individual; each affected person will sign a form where the quantity and value of his/her properties will be recorded. His/her photograph will also be included in the form which will be countersigned by a witness and a recognized community leader.
Lot3 ESIA report	253 of 455	293	Vulnerable group を対象としたコンサルテーション	Women have been identified as vulnerable group for the project, due to their economic vulnerability and inability to participate in decision-making processes within the traditional context. Women in the project area are not always able to attend or speak freely at open meetings and/or may have household restrictions on when they are able to attend such meetings. The project holds women's meeting at times and places convenient to the women in each community. These meetings is held by a female member of the project team, where possible.
