菩提樹のステークホルダー対応として、以下を DFR に追記します。

The consultation with stakeholders related with Bo trees was conducted to understand the perception towards Bo-trees. Type of stakeholders includes priest of temple with Bo tree, Bo tree devoter and community around the Bo tree. It is revealed that the cutting of Bo tree should be avoided, but the trimming of branches is acceptable only if the religious activities are properly performed. The detail of consultation is shown in table 9.12.1.
