

**The Bi- Monthly News-flash for AICAD Tanzania**

**1. MESSAGE FROM THE COUNTRY DIRECTOR**

On behalf of AICAD Tanzania, I once again welcome you to the third issue of our bi-monthly news flash. In this issue we present to you progress on implementation of Country Office activities related to core AICAD functions namely, Research and Development as well as Training and Extension. You will read about the consultative meetings for preparation of the Third In-Country Training on Value Addition (ICT3-VA), implementation of the ICT3-VA, Country Office support to two training courses in Bagamoyo District Council, Mid-term evaluation of fourth-call researches and AICAD Internship Programmes- 2008. We are glad to be able to implement the activities as per the schedules and wish to share the same with our stakeholders. We continue to receive a number of comments and suggestions on how to improve this communication tool. I wish to once again thank all who gave us their inputs.

Prof. B. P. M. Tiisekwa, Country Director

**2. IMPLEMENTATION OF PAST ACTIVITIES**

**2.1 Preparation of the 3<sup>rd</sup> In-Country Training Course on Value Addition (ICT3-VA)**

**2.1.1 Meeting with SIDO Coast Region Management**

In preparing for the 3<sup>rd</sup> In-Country Training Course (ICT3) on Value Addition (VA) the country office held consultative meetings at Kibaha for the purpose of gathering preliminary information necessary for developing participant's selection plan. The first involved discussion with the management of SIDO Coast Region and later with the District Executive Director for Kibaha District Council. At SIDO offices, AICAD Officers met with the Regional Manager Ms. Agnes Yesaya and the Business Development Officer Ms. Bahati Malangalila. SIDO officers shared with the country office, the results of the survey carried in all districts of Coast Region for identification of products with high potential for development through the SIDO – One District One Product Programme (ODOP). The officers availed the country office with information on available products with high market potentials after processing as well as community groups in Kibaha requiring training interventions. These groups were later visited, interviewed and qualified candidates identified to participate in the ICT3- VA held in Morogoro from 16<sup>th</sup> -27<sup>th</sup> June .

**2.1.2 Meeting with the District Executive Director for Kibaha**

The country office paid a courtesy call to the Office of the District Executive Director and held discussion with the District Executive Director (DED) Mr. Deogratias Hella. The purpose of the meeting was to share with the DED the planned follow-up activities for activities previously conducted in Kibaha and planned interventions for 2008. Past AICAD interventions in Kibaha include Support for Research on Value Addition of Cassava for Human and Animal Foods for Income Generation and Commercialization by Prof. Faustin Lekule (AICAD 3<sup>rd</sup> Call Researcher) and the In-Country Training Courses on Enterprise Development, Value Addition, Irrigation & Water Resources Management and Rural Women.

The Country Office paid a courtesy call to Vice Chancellor (VC) of the University of Dar es salaam Prof. Rwekaza Mukandala on 4<sup>th</sup> June 2008. The purpose of visit was to share with the VC who is also a member of the AICAD Governing Board, the progress of implementation of country office activities, update him on the current human resources at the country office and request him to officiate the 3<sup>rd</sup> In Country Training Course on Value Addition scheduled in Morogoro from 16<sup>th</sup> -27<sup>th</sup> June 2008. Prof Mukandala was glad to note progress in implementation of country office activities and improved capacity in terms of human resources. However he encouraged the country office to get member universities more involved through improved information sharing. The VC agreed to officiate the training course; however he couldn't make it due to other engagements. Official Opening was done by the VC for SUA Prof. Gerald Monela on 16<sup>th</sup> June 2008

## 2.3 Support to Bagamoyo District Council

### 2.3.1 Food Processing Training Course for 32 Women in Zinga, Bagamoyo District Council.

The country office supported 2 of its former trainees to facilitate the course in Food Processing for 32 members from selected women groups of Zinga, Kiromo and Yombo wards of Bagamoyo District. These trainers were previously trained by AICAD through the 1<sup>st</sup> Regional Training Course for Rural Women (RTC1 – RW) held in Nairobi in 2006 and the 1<sup>st</sup> In country Training Course for Rural Women (ICT1- RW) held in Mlandizi, Kibaha in 2007. The trainers included Ms. Gaudencia Donati (RCT1-RW) and Ms. Hadija Shabani (ICT1-RW). The course ran from 12<sup>th</sup> – 17<sup>th</sup> May 2008, at the Zinga Village Council Conference Hall in Zinga Ward of Bagamoyo town; whereby 32 representatives of women groups were trained on processing of fruits, vegetables, tubers and fish.
