

## MINDANAO

**ACTIVITY:** Capacity Development Program for DPWH-ARMM

**COMPONENT:** Improvement of Public Service Delivery

**PROJECT:** Comprehensive Capacity Development Program for ARMM (CCDP-A)

### Background:

JICA has implemented the ARMM Human Resource Capacity Development Program (AHRCDP) from 2008-2013 to strengthen the capacity of the ARMM Regional Government (ARG) core officials in the field of Administration, Economic Development and Infrastructure. Under the AHRCDP, 55 ARMM officials/ staff were trained in Infrastructure Management, Project Proposal Preparation and Construction Management.

In order to continue the capacity development of DPWH-ARMM employees and to sustain the reforms initiated by the agency, ARG has requested JICA to conduct capacity building trainings specifically for the District Engineers, Assistant District Engineers and Field Engineers coming from the 8 Engineering Districts in ARMM.

Four (4) trainings were identified by ARMM and it will be implemented in cooperation with the DPWH Central Office and DPWH Regions 11 and 12.

### Project Duration:

November 2014 – June 2015

### Contact Details:

Ms. Tomoko Yasunaga, Project Coordinator

**Address:** JICA Cotabato Project Office , 3rd Floor, Al Nor Building, Sinsuat Avenue, Cotabato City
