

Republic of the Union of Myanmar
Thilawa Special Economic Zone Management Committee

APPROVAL OF COMMENCEMENT OF BUSINESS DEVELOPMENT

Our Ref: TSEZ-EIA-007

Date: 10 June 2016

To: MYANMAR JAPAN THILAWA DEVELOPMENT LIMITED
Administration Complex Area, Zone A, Thilawa Special Economic
Zone

Subject: Approval of Commencement of Business Development of Industrial
Area of Zone B in the Thilawa Special Economic Zone

Reference: Your application No. MJTD/O/16-05-318 dated on 27 May 2016 on
submission of Final EIA Report

With reference to the above mentioned the Final EIA Report, the Thilawa Special Economic Zone Management Committee hereby approves, under the conditions described herein, Commencement of Business Development of Industrial Area in the Thilawa SEZ Zone B (262ha) under the name of MYANMAR JAPAN THILAWA DEVELOPMENT LIMITED in Thilawa Special Economic Zone.

I. General Terms and Conditions for Approval:

- (i) This approval letter is valid only for the location for which you prepared Final EIA Report. In case you change the location or beyond the descriptions of Final EIA Report, you shall submit again a new/revised EIA report to Thilawa Special Economic Zone Management Committee.
- (ii) You shall submit monitoring report, which summarizes performance of mitigation measures on environmental, social and/or health impacts as well as emergency risks in accordance with Final EIA Report, to the Thilawa Special Economic Zone Management Committee as stated below.
 - (1) every three months during construction stage

- (2) once at the timing of trial run before commencement of operation; and
- (3) at least twice a year (at the end of September and March each year) during regular operation stage.
- (iii) You shall cooperate in supervising and carrying out inspection by the Thilawa Special Economic Zone Management Committee at anytime.
- (iv) You shall be responsible for ensuring compliance with the existing laws relating to the conservation and protection of natural environment, scrutinizing the industrial waste disposal system and ensuring the conformity with Final EIA Report.
- (v) This Letter of Approval shall be valid unless otherwise substituted with the revised version made in accordance with the cases described in I-(i) in this Letter of Approval.
- (vi) This Letter of Approval is issued basing on the details furnished by you in your Final EIA Report.
- (vii) You shall abide by the provisions of Myanmar Special Economic Zones Law and Rules and orders made thereunder.
- (viii) If you fail to comply with the conditions stipulated above, this Letter of Approval shall be cancelled as per the provisions of the Myanmar Special Economic Zones Law and the Rules and orders made thereunder.
- (ix) All future correspondence including for amendments/changes in terms and conditions of the Letter of Approval shall be addressed to the Chairman of the Management Committee.

II. Particular Conditions and/or Restrictions for Carrying out your Authorized Operation:

- (i) You can implement construction works only in the location where you prepared Final EIA Report and only in a portion of the land where Myanmar governments will have completed resettlement works in accordance with signed agreements of land compensations and income loss supports between Project Affected Households and Myanmar governments as well as a portion of the land where Myanmar governments will have completed relocation of public assets such as community cemeteries and community pond(s).
- (ii) You shall submit a detailed construction work schedule and a land reclamation plan after selection of contractor to be developed at the earliest possible date.

- (iii) You shall submit information on the organization chart of the Environmental and Safety Health Section during operation stage with roles and responsibilities of the staff to the Thilawa Special Economic Zone Management Committee two months before the start of construction works.
- (iv) You shall submit updated Environmental Management Plan two months before the start of each phase in construction stage, operation stage, and closing stage.
- (v) You shall stipulate the rules of solid waste management by investors in your internal regulations to be prepared and shall announce and remind to investors/ contractors on prohibition of illegal dumping every year in accordance with policies and guidance by the Thilawa Special Economic Zone Management Committee.
- (vi) You shall prepare emergency response plans including fire safety, disaster responses for floods and earthquakes, and chemical accident response before the commencement of operations.
- (vii) You shall include results of implementation of community support programs including improvement of public health, infrastructure, and safety in the monitoring report to be submitted to the Thilawa Special Economic Zone Management Committee during all stages.
- (viii) You shall continue dialogues with local communities on maintenance of good environmental and social conditions in and around the Industrial Area of Zone B in the Thilawa Special Economic Zone shall be included in the monitoring report to be submitted to the Thilawa Special Economic Zone Management Committee.
- (ix) All the above conditions shall be also applied to the Industrial Area of Zone A in the Thilawa Special Economic Zone.
- (x) You shall follow comments on the Final EIA Report from Ministry of Natural Resources and Environmental Conservation.
