We are currently live with multiple urine tests; with more across blood and saliva launching soon

Urine test range covering 17+ biomarkers;
commercially available across multiple countries

Blood: Vitamin D, HbA1c, Dengue, IgE, Malaria, Hemoglobin, PSA, HIV, Sickle Cell, Lipid Profile, AMH

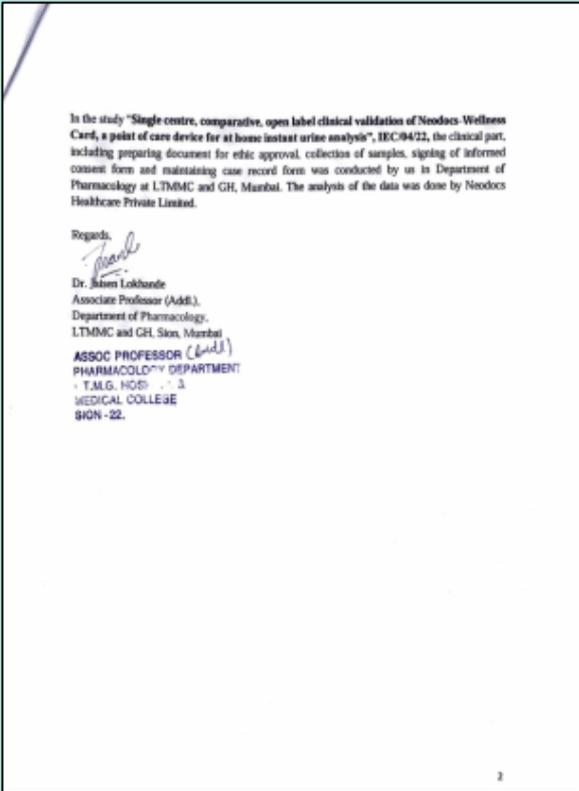

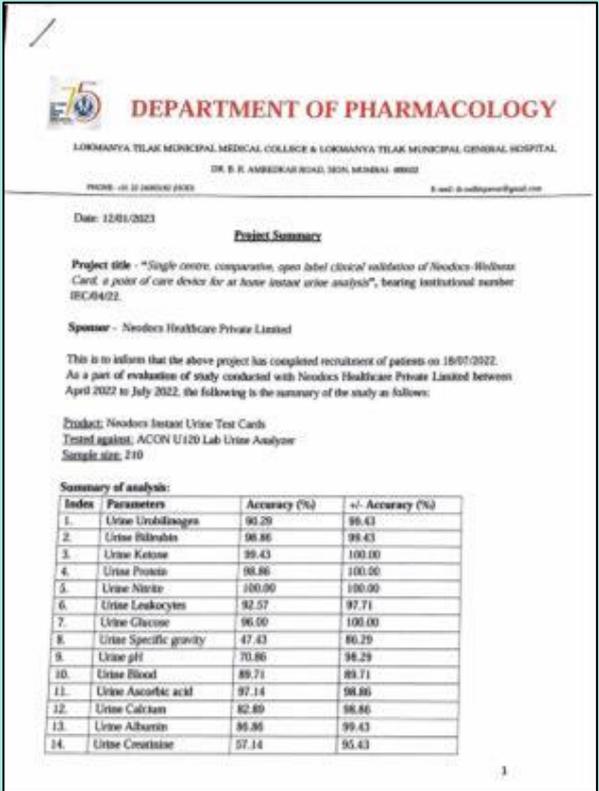

Urine: Pregnancy Test Kit, Female Fertility (FSH, LH, PdG)

Saliva: Alcohol, Drug of Abuse, Nicotine

Developed a proprietary tech platform for interpretation of biomarker using smartphones, now leveraging it to expand offerings to new tests

Completed performance evaluation study with Lokmanya Tilak Medical College & Hospital, Mumbai

Achieved an average specificity of 99% and sensitivity of 96%

Focus on B2B channels - doctors, public health, health-tech cos

Care-provider Retail

Public Health

Healthcare companies

- Live with 4K+ doctors across India
- Mix of in-clinic + at-home testing

- Projects live with Govt. of Maharashtra and Govt. of Rajasthan in India
- Advanced discussions with more govts. and foundations

- Live with 10+ partner brands
- Fitness, women health, insurance, nutraceuticals, tele-health, chronic care platforms, etc.

- Available on online marketplaces: Amazon, FK, Pharmeasy, 1mg
- Initiating offline retail

NeoDocs has two apps, each for a different use-case

1

This app is meant for those users who want to take the test on their own, on their own phone. They could buy the test online, from a pharmacy, or from a doctor clinic.

- For **Self Use**.
- **Can be used anywhere** - Home, Office, Travel, etc.
- Features like **historical trends, recommendations, explanations of parameters** visible on app.

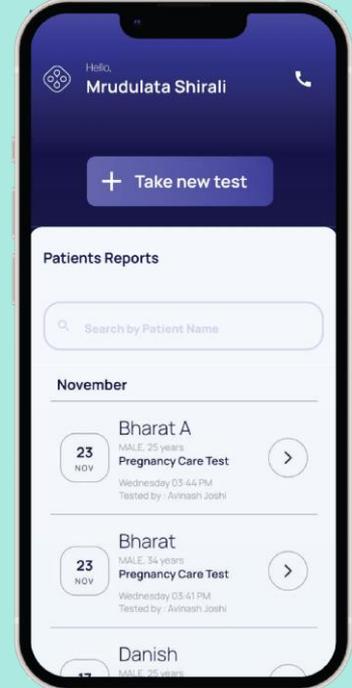

2

This app is meant for assisted testing. If a doctor/ nurse/ lab or clinic wants to test for multiple people or patients, they should use this app

- For **assisted testing by doctor, nurse, lab, etc.**
- Ideal for usage in a **healthcare setting or clinic.**
- Back to back tests **can be performed for multiple patients**
- **Instantly accessible results and downloadable reports**

Winners of Maharashtra Startup Week 2022
