Q 3: Do you want to participate in COVAMS training again?

**Q1: We are happy for participation!!**

Q2: The contents of the training were good!

Q2: Have never attended to any training before.

Q2: Free of charge!!

Q2: No longer just looking after our grandchildren, but we can start a business!!

**Q3: Of course, participation again!!**

Q2: No segregation against us, not like other training!

#### **Principle: "Many people"**

Target: Households whose members have participated in trainings of the same training component in different time.

Q1: What made you decide to participate in?

My husband told me what he learnt in the last training, and I got an interest in the training with high motivation.

I want to start my own business!!

Understanding may differ from one another. I want to share my understanding with my wife.

#### **Principle: "In your village"**

Village: Zwanya Target: Ladies with babies

Mode of investigation: Just pictures as evidence.

You can attend to training with us since it is in our village. Don't worry mom, we will behave!!
