

RESPONSIBILITY OF CITIZEN DURING COVID-19 FOR HOUSEHOLD WASTE DISPOSING

Infectious Waste

Used mask,
tissue,
hand gloves,
medical waste
etc.

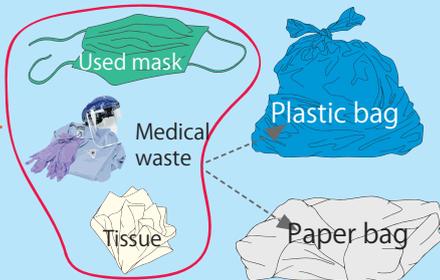

For Health Protection

Keep Soap, Hand
Sanitizer and liquid
disinfectant at home

1

Wrap the
infectious
waste in paper
and store in a
separate bin
or plastic bag

2

Keep household
waste and infec-
tious waste in
separate bins.

3

Keep Children or aged
or sick person to carry
waste to waste collec-
tion point

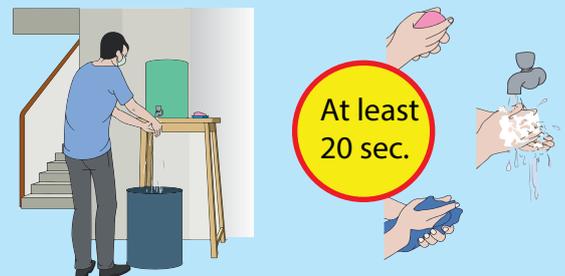

4

- Keep minimum Physical at waste disposal point.
- Littering is prohibited.

5

Wash both hands thoroughly before entrance
or immediately after entering the home

By following the above measures,
KEEP SAFE THE WASTE WORKERS AS WELL AS BE SAFE AT HOME
Thank you for your cooperation.
