

# Instruction to workshop workers during COVID-19 to prevent infection of Corona Virus

## Infectious Waste

Used mask, tissue, hand gloves, medical waste etc.

## For Health Protection

Keep Soap, water, Hand Sanitizer and liquid disinfectant inside the vehicle

**1**

**Before Work**  
 - Wear mask, hand gloves, long sleeve clothes  
 - Cooperate to measure & check body temperature & protective gears.

**2**

Maintain at least 3 feet physical distance from each other

**3**

Properly Wash your both hands with soap and water before taking any food.

**4**

Keep doors & windows open as much as possible for proper ventilation

**5**

Frequently Wash your hands with soap and water or use sanitizer properly.

At least 20 sec.

Your cooperation is highly expected to follow the above instructions to prevent "Corona Virus" as well as to keep yourself and colleagues safe.
