

WHY JOASYS?

- ✓ Enhanced Efficiency
- ✓ No More Paperwork
- ✓ 24/7 Global Accessibility
- ✓ Effortless Tracking of Disbursement Schedules and History
- ✓ Robust Security Measures
- ✓ Integration with JICA Database

JICA launched JOASYS in April 2024. We believe this system will significantly contribute to success of Japanese ODA Loan projects streamlining disbursement process! For more details, please contact your nearest JICA office in/near your country.

JOASYS

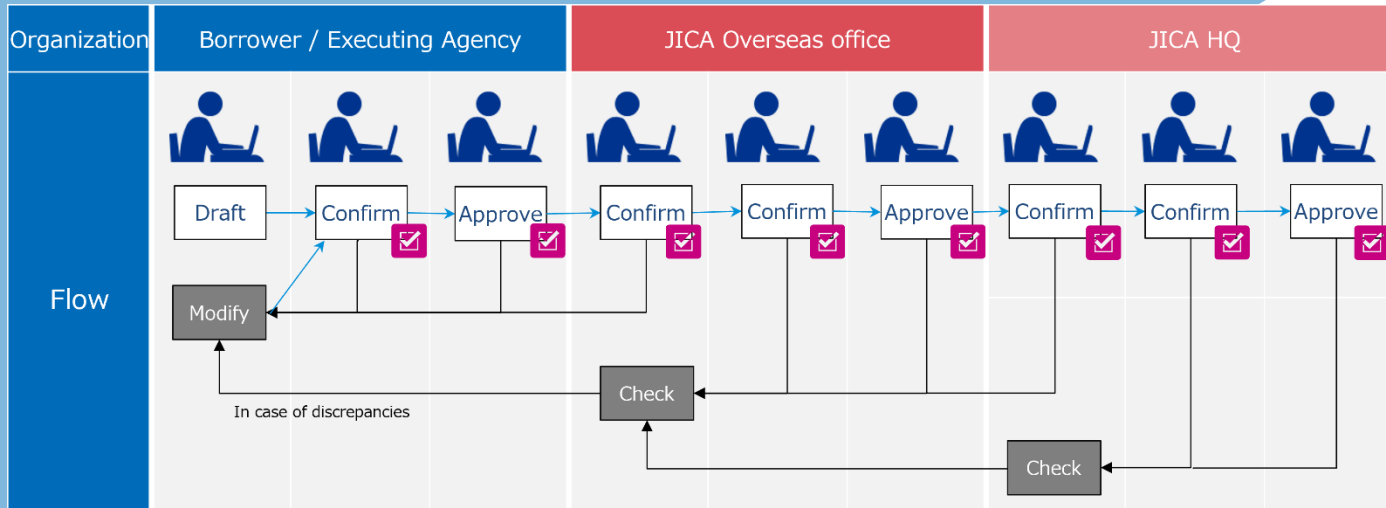

JICA Online Application System
for Disbursements

HOW JOASYS WORKS

JOASYS allows Borrowers and Executing Agencies to create, circulate, and complete disbursement applications online, all the way through to approval by JICA!

Approval → Returned →

REQUIRED ENVIRONMENT

PC: JOASYS is accessible from the internet browsers.

[Recommended Environment]

- OS: Windows 10 or later
- Browsers: Google Chrome, Microsoft Edge
- Current Adobe Acrobat Reader version

E-mail Address: An email address that only the user has access to (no group emails). Office email address preferred, but Gmail, outlook and such kind of addresses are also acceptable.

FUNCTIONS of JOASYS

1. Disbursement Requests

2. Account Registration for Transfer Procedure

3. L/A and Contract Concurrence Reference
