

# TICAD's Achievement in 30 Years and the Prospects for Africa's Development

**HYBRID EVENT / REGISTER NOW**

Registration

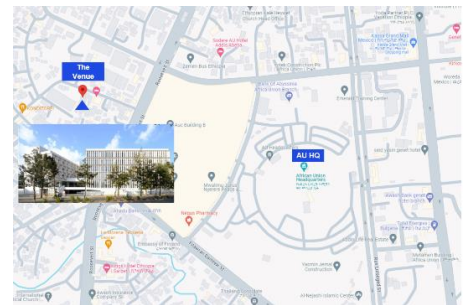

*African Union Development Agency (AUDA-NEPAD) and Japan International Cooperation Agency (JICA) are jointly taking the survey on the 30<sup>th</sup> anniversary of the Tokyo International Conference on Africa's Development (TICAD) as an opportunity to validate the significance and results of the TICAD process, identifying major challenges and directions for future African development. The survey also aims to review the development impacts of the initiatives, jointly undertaken by AUDA-NEPAD and JICA.*

*As the first phase of the survey will be finalized in March, AUDA-NEPAD and JICA will jointly organize a side event as a margin of AU Summit 2024 to showcase the outcomes of survey to broader audiences, consolidating the comments and suggestions.*
