PRESS RELEASE

Closing Seminar
on
The Project for Science Teacher Education phase 2 (STEPSAM2)

Phnom Penh, June 22, 2012

The Japan International Cooperation Agency (JICA) and the Ministry of Education, Youth and Sport (MoEYS) will organize Closing Seminar on the Project for Science Teacher Education phase 2 (STEPSAM2) on June 25, 2012 at 8:00am (1 day) at Cambodiana Hotel, Tonle Sap Room. The Opening Ceremony will be presided over by H.E. Nath Bunroeun, Secretary of State, MoEYS and Mr. Hirata Hitoshi, Senior Representative, JICA Cambodia; and the Closing Ceremony will be held at 15:30, presided over by H.E. Im Sethy, Minister of MoEYS and Mr. Suzuki Yasujiro, Chief Representative of JICA Cambodia Office.

The project aims at enhancing the quality of science teaching at primary and secondary education in target areas through strengthening the quality of teacher training both of pre-service (PRESET) and in-service training (INSET).

The expected outputs of the project are as follows:

1) The capacity of MoEYS to plan and implement teacher training (PRESET and INSET) is enhanced.
2) The quality of trainers on science is improved in Regional and Provincial Training Centers (R/PTTCs).
3) An environment conductive to the continuous improvements of science lessons in R/PTTCs is established.
4) INSET implementation plan on science is developed in target areas in line with National Policy.
