The 1st Joint Coordinating Committees Meeting of JICA-GDT project

Japan International Cooperation Agency (JICA) Cambodia Office would like to announce that the 1st Joint Coordinating Committees (JCC) Meeting for the project for Capacity Development of General Department of Taxation (GDT) under Framework of PFM Reform will be organized and chaired by H.E. SIM Eang, Delegation of the Royal Government in Charge as Director General of General Department of Taxation in cooperation with JICA Cambodia Office on Thursday, August 2nd, 2012 from 9:00AM at Phnom Penh Hotel.

The Project started in September 2011 until September 2014 for the period of three years with two main outputs which are the strengthening of institutional capacity of tax audit and the improvement of taxpayer service in order to further strengthen the institutional capacity of GDT as a function of tax collection. The overall goal of the project is to increase tax revenue based on self-assessment regime.

The objectives of the 1st JCC meeting of the project are to review, confirm and evaluate the current progress and the achievement of the project implemented until today, and to formulate next annual work plan for the next project activities.
