

Invitation to Photo Exhibition Commemorating Japan-CARICOM Friendship Year 2024! 【Passion of the Caribbean】

The year 2024 is "Japan-CARICOM Friendship Year"! To commemorate this anniversary, we will hold a Caribbean regional photo exhibition "Passion of the Caribbean".

This exhibition will introduce the charm of the Caribbean's beautiful nature and culture through photos of daily life, food, etc.

We hope that visitors will feel closer to the beautiful and passionate Caribbean region through these photos taken by JICA staff and volunteers.

The year 2024 marks the 30th anniversary since the start of full-scale exchange between Japan and Caribbean Community "CARICOM". To commemorate this occasion, the year 2024 is designated as the "Japan-CARICOM Friendship Year".

Many events related to the Japan-Caribbean Friendship Year will be held throughout the year, so please check the Ministry of Foreign Affairs' website at the link below and consider participating in these events.
