

## Lesson 9 Vancouver Asahi ( Consolidation )

### Today's Goals

- ① To understand the situations that foreign residents face in in our communities.
- ② To understand the communities and the histories of Nikkei in and outside of Japan.
- ③ To foster an attitude for cross cultural understanding.

### Task1

Look at the materials in spot A or B. Choose one and think about what it is for, and write the number of SDGs that the material is expected to achieve.

Material	Why is it needed?	Expected SDGs
	Target:  Purpose:	Number:  Reason:

Share your ideas with your partner.

## Task2

Read the articles about Soybeans for One Million Packets of Tofu from Paraguay, and answer the following questions.

- ① What made Nikkei farmers take action to support the victims of the disaster?
- ② How do you think the people who received the tofu felt about the donation from Paraguay?
- ③ Why do you think the tofu for donations were named “kokoro ha hitotsu”?

## Task3

What lessons did local Canadians and Japanese immigrants learn from the Asahi baseball team playing in Vancouver?

- ① For local Canadians:
- ② For Japanese immigrants:

## Task4

Write what you have learned in the lesson.
