**SUBJECT : ECC AMENDMENT OF THE NORTH-SOUTH
COMMUTER RAILWAY (NSCR) PROJECT (MALOLOS-
TUTUBAN) (ECC-CO-1503-0013) OF THE DEPARTMENT
OF TRANSPORTATION (DOTr)**

Dear [REDACTED]

This refers to your request for the amendment of the Environmental Compliance Certificate issued to the DOTr for the North-South Commuter Rail (NSCR) with alignment from Malolos to Tutuban (ECC-CO-1503-0013) to include Traction Substation-9 (TSS-9) 69 kV Switching Station and the adjustment of Taging Ilog Station.

Upon review and evaluation of the submitted updated Project Description Report and its pertinent attachments, this Office grants your request to include the following:

I. Traction Substation-9 (TSS-9) 69 kV Switching Station

The proposed switching station shall serve as the metering/connection point of NSCR to MERALCO to be located in Barangay Mabolo, City of Malolos, Bulacan has the following components:

- Control Room
- Switching Station and Station Pole to TSS 9
- Ventilated Battery Room
- Maintenance Room
- Wash Room
- Guard House
- Switching Room and Metering Yard
- SCADA Room
- Two (2) 69 kV transmission lines

II. Taging Ilog Station

The proposed adjustment is summarized below:

	Existing ECC	Proposed Amendment
Coordinates	14° 46' 28.720" N	14° 46' 33.6987" N
	120° 56' 39.647" E	120° 56' 37.5082" E
	14° 46' 34.269" N	14° 46' 39.2636" N
	120° 56' 36.845" E	120° 56' 34.7407" E
Gross Floor Area	10,755.75 sq.m 2-storey	10,916.53 sq.m 3-storey

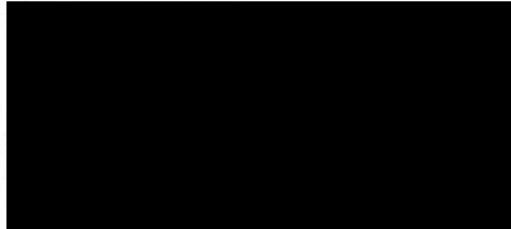

All other conditions stated in the above ECC-CO-1503-0013 including its Annex A and B shall remain enforced unless otherwise revoke in writing. The updated Any expansion and/or
