

JICA Platform for Social Security/ Disability and Development

To contribute to improved accessibility to social security systems and the delivery of more effective social protection and welfare services in developing countries, we are building a network of experts and practitioners. This platform will serve as a “hub” for discussing solutions to challenges, deepening partnerships, and fostering co-creation and innovation.

Platform Activities

Knowledge Sharing & Co-Creation

- Share knowledge through study sessions and newsletters
- Organize study sessions and seminars aimed at generating new ideas

Networking & Collaboration Among Diverse Members

- Provide opportunities for interaction among experts and practitioners with diverse backgrounds
- Foster collaboration that leads to concrete partnerships and joint projects

Human Resource Development & Opportunities for Engagement

- Conduct capacity-building and skills development training
- Offer opportunities such as overseas cooperation programs and internships

Outreach & Communication

- Disseminate information about the activities of platform members and organizations
- Share knowledge co-created and consolidated through the platform

Q&A

Q. What are the **benefits** of becoming a member?

A. The platform offers opportunities for **networking, information sharing, and open discussion** among members interested in or engaged in international cooperation. Members can access **the latest information** on JICA, other donor agencies, and related activities in Japan, while also **sharing their own initiatives**. Through platform events, members can exchange ideas with a wide range of organizations and use the platform as a first step to apply domestic experience to international cooperation.

Q. How can I **propose activities or initiatives**?

A. The platform **welcomes voluntary and self-initiated activities** proposed by members. If you have any ideas, please contact us at the email address below.

Q. Is there **a registration fee or membership fee**?

A. No. Registration and membership are **completely free of charge**.
