

	<p>main Shinkansen (Bullet Train) railway line that runs east-west along the Pacific Ocean. Tokyo, Osaka, Kyoto and Hiroshima are all within easy reach.</p> <p>Nagoya University is a comprehensive university which has 9 schools, 14 graduate schools, and over 30 research centers and affiliated institutes. It serves as an academic center not only in the Chubu (central Japan) region but also in Japan. As an example, six Nobel Laureates are our graduates or have been affiliated with us as a faculty member during their carrier since entering the 21st century; most recently for the Nobel Prize in Physics in 2014. The free and vibrant academic culture and sprit which cultivated these laureates are still alive and attract students and researchers from all over the world.</p>
12. Features of Graduate School	<p>The history of Nagoya University Graduate School of Medicine dates back to 1871 (Years 4 of the Meiji Period) since the founding as a temporary medical school and hospital, and has 140 years of history and tradition. Active medical research is conducted at over 100 departments both in the Division of Basic Medicine and Clinical Medicine. Moreover, in the past three years we have been accelerating global collaborations at the graduate school level, such as the Joint Degree Program with the University of Adelaide, Australia as well as the Lund University, Sweden, and there is more to come in the near future.</p>
13. Features and Curriculum of Program	<p>First, students learn basics of biostatistics, epidemiology, health care administration, environmental health, and social behavioral science. Then, they obtain skills of both statistical and qualitative analyses through participatory workshops and field works. Finally, they conduct their thesis researches and prepare English papers, which will be published in academic journals.</p>

16. Message to Prospective International Students	
Message from University	<p>Nagoya University was first founded in 1871 as a temporary hospital and medical school. After undergoing several transitions, Nagoya Imperial University was established in 1939. The name of the university was changed to Nagoya University in 1949 and it has grown to be one of the world's top research universities. Throughout its history, NU has maintained a free and vibrant academic culture. Conducting research and education on all aspects of human beings, society, and nature, the University pursues its goal of contributing to the well-being and happiness of humankind. As an educational institution, Nagoya University aims to cultivate leaders with genuine courage and intellect. We call such leaders "Yuuki-aruru Chishiki-Jin": Social contributors endowed with the powers of rational thought and creative imagination who have the ability to open up a new age.</p> <p>The large and lush green campus of the University, only a short subway ride from the lively city center of Nagoya, provides a comfortable setting for students to focus on fulfilling ambitious goals and satisfy their thirst of knowledge. Today, Nagoya University is taking new steps to become a globalized university where students are able to acquire comprehensive knowledge, develop personal ethics and aspire to international careers.</p> <p>Please refer to the Website for details.</p>
