

# JCCI International Seminar 2025

## For Human Security, Quality Growth and Global Environment

“JICA Clean City Initiative (JCCI)” contributes to building a sustainable society that can realize a healthy environment and protect the health and living environment of people in partner countries by promoting environmental measures such as waste management and water and air pollution control.

### Date & Venue Hybrid Format

**Wed. 5<sup>th</sup> February 2025**

**10:00 – 17:30 (JST)**

Online: [seminar website](#)

Onsite: JA KYOSAI Building Conference Hall  
(2-7-9, Hirakawa-cho, Chiyoda-ku, Tokyo, Japan)

Language: Japanese, English, and French  
(simultaneous interpretation)

### Contents:

- ▲ Progress and future development of JCCI
- ▲ Actions towards circular economy and carbon neutrality
- ▲ Promotion of collaboration between governments, universities, and private sector (Thailand, Sri Lanka, Vietnam, etc.)
- ▲ Waste management in Africa toward TICAD9

※ This seminar is approved as [TICAD 9 Partner Project](#).

### Free of Charge

※ Due to the venue's size, on-site participation may be limited based on the registration status.

Japanese private sector will introduce their products and technologies in the fields of environmental management and climate change at "**Business Pitch**".

### Online Exhibition

of Japanese environmental products/technologies  
**From 27<sup>th</sup> January to 7<sup>th</sup> February**

**Registration  
Form**

**JCCI Secretariat**
