Dear Sir,

SITUATION REPORT ON ENVIRONMENTAL AND SOCIAL IMPACT OF JICA FUNDED PROJECT FOR EMERGENCY REPAIR AND OVERHAUL WORKS FOR JEBBA HYDRO PLANT GENERATING UNIT 2G4

We have received a request from the Japan International Cooperation Agency (JICA) to forward a situation report on the above-mentioned subject to your establishment, as current operators of Kainji and Jebba power plants.

Site-works for overhaul on Jebba Hydro Electric Plant Unit 2G4 Generator commenced on the 1st of June 2015. The project was completed and re-commissioning of the Unit into service was carried out by the Federal Minister for Power, Works and Housing on Monday, 15th February 2016.

We wish to hereby report that there was no negative environmental or social problem during and after the overhaul project or arising as a consequence of the project.

Thank you for your usual cooperation.

Yours faithfully,

Siraj Abdullahi
Executive Director
