Subject: Confirmation letter on the Environmental and Social impact of the Project for Improvement of the Existing Bamyán Airport in the Islamic Republic of Afghanistan.

Dear Mr. Takeshi Watanabe,

On behalf of the Afghanistan Civil Aviation Authority (ACAA) this letter is made in respect of confirmation on Environmental and Social impact of the project named Project for Improvement of the Existing Bamyán Airport in the Islamic Republic of Afghanistan. The objective of this project is to improve the runway and other related facilities at Bamyán Airport, thus to contribute to safe and efficient of the airport. The sites of the project are located in Bamyán airport in Bamyán center.

We would like to confirm that we conducted appropriate countermeasures and monitored necessary parameters as following the agreement in the Minutes of Discussions dated on 22nd January, 2012.

Regarding the environmental and social monitoring results, it can be concluded that there have been no major problems caused by the project. If there is then it had been solved and reduced to an acceptable value.

We hereby certify that all the above information is true and correct to the best of our knowledge.

Sincerely,
