AND
JAPAN INTERNATIONAL COOPERATION AGENCY**

In response to the official request of the Government of Fiji to the Government of Japan, the Detailed Planning Survey Team (hereinafter referred to as "the Team"), organized by Japan International Cooperation Agency (hereinafter referred to as "JICA") and headed by Mr. KONDO Sei, conducted the survey from October 30th, 2020 to February 17th, 2021, for the purpose of formulation of a technical cooperation project "The Project for Formulation of Sewerage Master Plan in Western Area" (hereinafter referred to as "the Project").

The Team held a series of discussions with the Ministry of Infrastructure and Meteorological Services (hereinafter referred to as "MIMS"), Water Authority of Fiji (hereinafter referred to as "WAF") and other stakeholders in order to work out the framework and contents of the Project. Discussions has also been held with the Ministry of Economy.

As a result of the discussions, the Team, MIMS and WAF agreed on the matters referred to in the document attached hereto.
