**Subject: Confirmation letter on the Environmental and Social impact of The Project For Upgrading of Kukum Highway in Solomon Islands**

On behalf of the Ministry of Infrastructure Development (MID), this letter serves to confirm matters in relation to Environmental and Social Impact of the project named The Project For Upgrading Of Kukum Highway in Solomon Islands. The objective of this project was the upgrading of the Kukum Highway between Honiara City Council and the Ministry of Fisheries and Marine Resources. The project site is located in Honiara City, Solomon Islands.

I would like to confirm that we have conducted appropriate countermeasures and monitored the necessary parameters during the course of the project as per the agreement in the Minutes of Discussions dated on 29<sup>th</sup> August 2014.

With regard to the environmental and social monitoring results, it can be concluded that there have been no major problems caused by the project. If there was then it would have been mitigated and reduced to an acceptable level.

We hereby certify that all the above information is true and correct to the best of our knowledge.

Cordially yours,

**Jimmy Nuake**

Undersecretary Technical
