

Annual Report of the Examiners

FY2010: April 1, 2010 to March 31, 2011

This annual report has been prepared to publicize the activities of the Examiners in accordance with the “Objection Procedures Based on the Guidelines for Environmental and Social Considerations.”

Appointment of the Examiners

On July 1, 2010, the new “JICA Guidelines for Environmental and Social Considerations” and the new “JICA Objection Procedures Based on Guidelines for Environmental and Social Considerations” went into effect. JICA has ensured its compliance with the Guidelines by appointing the Examiners in accordance with the objection procedures.

Before the new objection procedures were enforced, JICA had applied its former objection procedures and the former JIBC ones. The Examiners were appointed respectively, in accordance with the two former objection procedures, from April to June 2010.

Examiners Appointed

From April to June 2010;

- Examiners of former JICA objection procedures

- Dr. Hidefumi IMURA**

- Designated Professor, Graduate School of Environmental Studies, Nagoya University

- Dr. Sachihiko HARASHINA**

- Dean and Professor, Interdisciplinary Graduate School of Science and Engineering, Tokyo Institute of Technology

- Examiners of the former JBIC objection procedures

- Mr. Junji ANNEN**

- Professor, Chuo Law School / Attorney-at-law

- Mr. Kazuo MATSUSHITA**

- Professor, Graduate School of Global Environmental Studies, Kyoto University

From July 2010 to March 2011;

Dr. Sachihiko HARASHINA

Dean and Professor, Interdisciplinary Graduate School of Science and Engineering, Tokyo Institute of Technology

Mr. Junji ANNEN

Professor, Chuo Law School / Attorney-at-law

Objections

There were no objections submitted during the course of FY2010.

Public Relations

Information about the objection procedures was contained in “JICA ANNUAL REPORT 2010.” It has also been posted on JICA’s website as follows:

●English

http://www.jica.go.jp/english/operations/social_environmental/objection/index.html

●Japanese

<http://www.jica.go.jp/environment/objection.html>

Increasing Awareness

The new objection procedures, as well as the new guidelines, were announced in meetings with JICA staff at HQs and in country offices. JICA experts to be assigned overseas and people in the consultancy industry were also informed, in order to ensure enhanced compliance with the guidelines.
