Outline			
This Seminar was established in 1974 and is designed for senior officials on tax administration in the developing countries. It provides participants with lectures on Japanese tax administration as well as discussions and presentation on tax issues faced by the tax authorities in each participating country.			
Objective/Outcome		Target Organization / Group	
<p>【Objective】 Senior-class tax officials in developing countries will recognize potential problems (fundamental) and possible solutions to them at the tax administrations in their respective countries, and they will devote themselves to the improvement of the tax administration in their countries after their returning.</p> <p>【Outcome】 1. Identify the points to be improved in tax administration in each country, and strengthen knowledge and ideas to tackle with them. 2. Enhance the partnership with National Tax Agency of Japan as well as among participants in the seminar through exchanging their respective views. 3. Formulate the possible solutions for the problems identified by the participants themselves after they returning to their home countries.</p>		<p>【Target Organization】 National tax administrative authority except for customs</p> <p>【Target Group】 1. Be ranked as a senior class official of the national tax administrative authority except customs, 2. Have sufficient knowledge and professional experience in the field of national tax administration except for customs, and 3. Proficient in English</p>
