### Objective/Outcome

**Objective**
Participants enhance their technical capabilities to promote sustainable use of fisheries resource and diversification of fisheries-based livelihoods with due considerations of constraints/difficulties of small island states.

**Outcome**
1. Participants acquire skills and knowledge on various analytical tools including sector analysis and stakeholder analysis
2. Participants have better understanding on roles and functions of key stakeholders of fishery sector development and resource management (administration/research/producers' organizations) as well as effective coordination/cooperation mechanisms among stakeholders
3. Participants have better understanding on the issues of tropical fisheries resource management and measures to address these issues
4. Participants acquire skills and knowledge on diversification of fisheries-based livelihoods including FAD making/deployment, small-scale aquaculture, fish processing/value-addition, marketing, handy craft making etc.
5. Participants improve their skills and knowledge on project planning (application of Project Cycle Management method)

### Contents

1a. Compilation of a country report that summaries 1) current status and issues of fisheries sector and resource management in the country, 2) measures taken by the governments to address said issues
1b. Lectures and practices on the use of analytical tools
2. Visits to fisheries administration, research institutions, fishers' cooperative association and others, and lectures on their organization/activities
3. Case studies of various initiatives on tropical fisheries resource management
4. Field observations and practices on relevant topics
4a. Group discussion on adaptive application of measures/approaches for sustainable use of fisheries resources and diversification of fisheries-based livelihoods in the context of small-island states
4b. Formulation of an action plan

### Target Organization / Group

**Target Organization**
- National/local fisheries line agency
- Fisheries research institute
- Fisheries development authority/corporation
- Producer organizations

**Target Group**
- Fisheries extension officers,
- Fisherman's organizations staffs, etc.

More than 3 years of experience with related work. Have a good command of English.
