Outline			
Since 9.11 in 2001, security measures on international maritime transport have become more important around the world. This program provides the practical knowledge and skills on port facility security measures. Although this program had been offered to participants of ASEAN countries until 2015, it will cover the other areas as well from 2016.			
Objective/Outcome		Target Organization / Group	
<p>【Objective】 The importance of port facility security is understood, and lessons and challenges of port facility security policy are shared among the participants' countries.</p> <p>【Outcome】 1. To understand the international conventions on port facility security (PFS), needs of PSF and the responsibilities of contracting governments, and acquire the ability to explain these subjects. 2. To acquire knowledge and skills for the implementation of PFS measures and auditing. 3. To acquire knowledge and skills for the evaluation method of PFS measures. 4. To become able to train other personnel in the field of PFS measures.</p>		<p>【Target Organization】 National government organizations in charge of port facility security policy.</p> <p>【Target Group】 1. University graduate in the field or equivalent. 2. Have a sufficient command of spoken and written English, and 3. An official of government or public entity currently in charge of PSF.</p>
