

**Target Countries :**

**Course No. :** J1804360

**No. :** 1884997

**Sector :** Transportation/Capacity Development for Transport Sector

**Sub-Sector :** Governance/Public Safety

**Language :** English

**Outline**

Participants shall learn the knowledge of Japanese traffic police administration through lectures given by Japanese officials and some site visits. They shall identify the problems of their countries, compare them to other countries' ones and seek the solutions through Country Report, Action Plan and discussion. After returning, they shall make the most of the knowledge learned in this seminar.

Objective/Outcome	Target Organization / Group
<p><b>【Objective】</b>                      To enhance the management capability of supervisory personnel in traffic police administration and seek the solutions to the problems identified in participating countries.</p> <p><b>【Outcome】</b>                      1. To understand and explain Japanese traffic police administration in terms of institution, organization and management, as well as road traffic measures.                      2.
