Course No. : 201984505-J002

No. : 201984505

Sector : Governance/Local Governance

Sub-Sector : Rural Development/Other Rural Development

Language : English

Outline

For self-reliant and sustainable community development, it is fundamental to analyze the capacity of local community in terms of a local societal system and locally shared resource utilization to capacitate the local organizations.

Based on PLSD theory and framework developed by Prof. Ohama, participants will acquire both theory and practical methodology to strengthen social basis for self-reliant and sustainable development of local society and people.

Objective/Outcome	Target Organization / Group	
<p>【Objective】 To be able to propose an improved project plan and/or action in consideration of Participatory Local Social Development perspectives.</p> <p>【Outcome】 1. To gain comprehensive knowledge of the Participatory Approach (PA) as effective methodology to raise awareness among targeted local residents and organize them. 2.
