**Outline**

This course is organized by the United Nations Asia and Far East Institute for the Prevention of Crime and the Treatment of Offenders (UNAFEI), an institution known worldwide for its high-quality international training courses and seminars in the crime prevention and criminal justice sectors. Under the theme “Practices for the Treatment of Drug Users”, the course will explore and share effective measures and best practices for desistance from drug use. The Course will consist of presentations by and discussions among participants, lectures from Japanese and foreign experts and visits to relevant institutions in Japan.

Objective/Outcome	Target Organization / Group	
<p><b>【Objective】</b>                      Participants are expected to share their countries’ experience and future directions in treatment of offenders, with reference to recent international trends, and to establish a global network for the exchange of updated information on the policies and practices in each country.</p> <p><b>【Outcome】</b>                      1. The current situation and issues in participating countries on a specific issue (varies year by year) in treatment of offenders will be identified and shared.                      2. Recent international trends as well as Japan’ s experiences will be shared.                      3. Effective countermeasures to address the issues in each country will be discussed.                      4. Future directions for addressing the issues will be shared.                      5. A global network centered on UNAFEI will be established.</p>	<p><b>【Target Organization】</b>                      Criminal justice organizations or agencies responsible for treatment of offenders: correction or rehabilitation services, ministry of justice or inter</p> <p><b>【Target Group】</b>                      1.
