

Target Countries :

Course No. : 201984519-J002

No. : 201984519

Sector : Governance/Public Safety

Sub-Sector :

Language : English

Outline

Japan has a long experience of crackdown on drugs, especially Methamphetamine, whose abuse is expanding worldwide. We also conduct rigorous drug control and promote scientific investigation. This seminar will give you knowledge and experience of Japan and other participating countries to combat drugs and help you establish the international network against transnational drug crimes.

Objective/Outcome

Target Organization / Group

【Objective】

1. To share knowledge and experience on current drug crime situation and effective drug control measures in Japan and participating countries.
2. To build networks for international investigative cooperation against drug crimes among Japan and participating countries.

【Outcome】

1. To share knowledge and experience on current drug crime situation and law enforcement in Japan and participating countries.
2. To obtain knowledge on scientific drug investigation in Japan.
3. To form common understanding among participants on effective international cooperation on drug law enforcement.

【Target Organization】

Drug law enforcement organizations of Central Government.

【Target Group】

1. Division directors or those in the upper position of drug law enforcement organizations of Central Government.
2. Those who have professional experience as a commander in drug law enforcement.

Contents
