No. : 201984619			
Sector : Economic Policy/Other Economic Policy Issues			
Sub-Sector :			
Language : English			
Outline			
This Seminar was established in 1974 and is designed for senior officials on tax administration in the developing countries. It provides participants with lectures on Japanese tax administration as well as discussions and presentation on tax issues faced by the tax authorities in each participating country.			
Objective/Outcome		Target Organization / Group	
【Objective】 Senior-class tax officials in developing countries will contribute to improve the tax system and administration in their respective countries after their returning by utilizing what they learned through the seminar.		【Target Organization】 National tax administrative authority except for customs	
【Outcome】 1. Participants can explain the system and the current situation of Japanese tax administration, and acquire knowledge or techniques useful in improving tax administration in each participant's country. 2. Participants can explain the OECD taxation theme of this year. 3. Participants can clarify the points to be improved in tax administration of their respective countries, by using information on issues and possible solutions in other countries.		【Target Group】 1. Be ranked as a senior class official of the national tax administrative authority except customs, 2. Have sufficient knowledge and professional experience in the field of national tax administration except for customs, and 3. Proficient in English
