

**Vacancy of One (1) Toll Road Specialist
for Advisor in Developing Public Private Partnership (PPP) Program in Toll Road
Infrastructure**

JICA Expert positioned in the Directorate General of Infrastructure Financing (DGIF), Ministry of Public Works Republic of Indonesia, working under the Japan International Cooperation Agency (JICA) Indonesia Office, an active development partner of the Government of Indonesia, is currently looking for qualified and experienced PPP specialist in Toll Road for the following Program Support Officer position.

Toll Road Specialist - Program Support Officer

The role is under the supervision of JICA Expert, and works for a program delivery partner, of Directorate General of Infrastructure Financing (DGIF) of the Ministry of Public Works Republic of Indonesia.

Job Description:

1. Managing, supporting, reviewing, and developing Toll Road PPP program plan by considering new financing strategies in investment and infrastructure projects.
2. Supporting all aspects of PPP procurement delivery – including identifying and reporting on key milestones and overall delivery progress, managing the program finances, liaising with delivery partners, program reporting (including risks and issues), and supporting with meeting and event coordination.
3. Responsible for booking and organizing events to facilitate meetings, workshops, and training within provided budgets and ensuring good Value for Money (VFM).
4. This list is not exhaustive; you may be required to carry out additional duties according to business needs.

Special Conditions

The initial contract will expire at the end of March 2026.

Qualifications:

1. **Possessing a minimum of 5 years of PPP experience** in Public-Private Partnership (PPP) Infrastructure Development Projects, either on a local scale within Indonesia or on a global level. Experience in developing financial schemes for such infrastructure projects is highly desirable.
2. **Skills in the fields** of Public Private Partnership (PPP), Civil Engineering (focusing on Road), Government Procurement, FIDIC Yellow book and Gold Book, Planning and Scheduling, Program Delivery, and Business Process Reengineering (BPR) are the criteria for the selection.
3. **Holding at least a Bachelor's Degree** in fields related to Civil Engineering, Urban Planning, Architecture, Business, and Finance or other relevant educational backgrounds.
4. **A PPP-related faculty graduate or holding an APMG PPP Professional certificate** is a significant advantage.
5. **Fluency in English**, both written and verbal, is a must.

How to apply:

Deadline: The application deadline is **Monday, June 23, 2025**.

Please send your CV (in English) and one-page of cover letter describing your capacity for coordination (in English), English Literacy, and PPP-related work experiences with the ministries in Indonesia, JICA, and/or other public/private organizations with the titles “CV_Applicant Name” and “Letter_Applicant Name” to:

- Hiroshi Kumagae (JICA PPP Expert)
hiroshi.kumagae@gmail.com
- Masyitha Retno (Assistant JICA PPP Expert)
retnomasyitha.jica@gmail.com

Email Subject: “[Toll Road Specialist_Applicant Name]”

Notes:

- Duration: 3-months trial period since signing the employment agreement. The position may be extended for one year if the performance is satisfactory.
- Working Conditions: 07:30 – 16:00, Monday to Friday at the Directorate General of Infrastructure Financing of the Ministry of Public Works Republic of Indonesia (Jakarta).
- Holidays are based on the calendar of the Indonesian Ministry of Public Works. No annual leave for the trial period.
