

Do you know “Dar es Salaam International Fish Market at Magogoni”?

Dar Fish Market, famously known as Ferry Fish market at Magogoni (Kivukoni) area is a very popular supplier of seafood varieties to fishermen and consumers, but did you know who constructed it and when?

The Dar es Salaam International Fish Market at Kivukoni was constructed with JICA support from 2000. It was completed in 2002 and launched by former President of Tanzania the late Benjamin Mkapa, serving more than 1,500 fish vendors.

JICA is currently constructing the Malindi Fish Market and Landing Facilities in Zanzibar and is due for completion later this year. The President of Zanzibar, Dr. Hussein Mwinyi is expected to launch the facility in December 2022.
