JICA

Leading the world with trust

JICA values the relationship of mutual trust with developing countries and is working with them to rise to the challenges.

Overview of Operations

JICA uses an array of development assistance schemes to meet the diverse needs of developing countries around the world.

Technical Cooperation (*1)

Dispatch of Japanese experts to developing countries and acceptance of training participants and students to disseminate Japanese technologies and knowledge

Scale of Operations

¥175.1 billion

Finance and Investment Cooperation (ODA Loans) (*2)

Lending or investing of funds under concessional terms to developing countries for their development.

Scale of Operations

¥1,523.2 billion

Grants (*3)

Financial assistance with no repayment obligation; it mainly targets developing countries with low levels of income.

Scale of Operations

¥85.6 billion

(In fiscal year 2019) (Unit: %)

JICA's volunteer programs

Citizen Participation

Partnership with Nikkei Communities in Latin America and the Caribbean

Emergency Disaster Relief

Studies and Research

Public-Private Partnerships

(Note) In some cases, the numbers do not correspond to the figures reflected in the "Total" section because of rounding estimates. *1 Technical Cooperation expenses include Technical Assistance expenses managed under the Finance and Investment Account budget, but exclude administration costs. *2 Total commitment amounts of ODA Loans and Private-Sector Investment Finance. *3 The amount is calculated based on the fiscal 2019 budget, it does not correspond to the total amount of Grant Agreements (G/As) concluded in fiscal 2019. *Total value of JICA programs in the map do not include cooperation track records that cannot be categorized by region.

Building people-to-people relationships are the foundation of trust

JICA dispatches experts and overseas volunteers to developing countries, and in return welcomes government officials and specialists as training participants and overseas students. People-to-people connections established through human resource development are the foundations of trust between developing countries and Japan.

Accepted

13,217 training participants and students from developing countries were accepted in fiscal year 2019

13,217 people

Dispatched

9,163 Japanese experts and JICA volunteers were dispatched in fiscal year 2019

9,163 people
