

## Mission

*JICA, in accordance with the Development Cooperation Charter, will work on human security and quality growth.*

JICA, an incorporated administrative agency in charge of administering Japan's ODA, is one of the world's largest bilateral aid agencies supporting socioeconomic development in developing countries in different regions of the world.

Under its new vision set out in July 2017, JICA supports the resolution of issues in developing countries through a flexible combination of various types of assistance methods as illustrated below.

**ODA**  
(Official  
Development  
Assistance)

**Bilateral  
Assistance**

**JICA**

**Technical Cooperation**

**Finance and Investment Cooperation**

**Grants**

**Emergency Disaster Relief**

**Public-Private Partnerships**

**Citizen Participation**

**Multilateral Assistance**  
(Financial contributions to international organizations)

## Vision

# Leading the world with trust

JICA, with its partners, will take the lead in forging bonds of trust across the world, aspiring for a free, peaceful and prosperous world where people can hope for a better future and explore their diverse potentials.

## Actions

- 1 Commitment:**  
Commit ourselves with pride and passion to achieving our mission and vision.
- 2 Gemba:**  
Dive into the field (“gemba”) and work together with the people.
- 3 Strategy:**  
Think and act strategically with broad and long-term perspectives.
- 4 Co-creation:**  
Bring together diverse wisdom and resources.
- 5 Innovation:**  
Innovate to bring about unprecedented impacts.
