**Planned Project**

**Actual Project**
To Move Forward Together...

1. Good preparedness
2. Higher priority
3. Good track records

Plus,

4. Full utilization of JICA T/A

Other Challenges;

1. Entry Permission Procedures
2. Security Situation
3. Other Undertakings (Land, EIA and Counterpart Fund)
Guwahati Water / Sanitation Improvement

1. Guwahati Water Supply Project
2. Guwahati Sewerage Project

Area Covered by the Projects

- Guwahati City
- North Guwahati
- South Central Guwahati
- South East Guwahati

Water Intake Facilities Construction
Guwahati Water / Sanitation Improvement

Water Treatment Facilities Construction

Water Distributing Reservoir

Challenges to overcome together;
- On-Time Execution of Water Supply Project
- Speeding up of Sanitation Project
