

# Africa Kaizen Annual Conference (AKAC)

Cameroon 4 - 5 October 2022

National Productivity and Competitiveness Council

Republic of Mauritius

#merisienprodiktif

## The National Productivity and Competitiveness Council (NPCC)

- Operational since 2000
- Objective: “....to stimulate and generate productivity and quality consciousness and drive the productivity and quality movement in all sectors of the economy with a view to raising national output and achieving sustained growth and international competitiveness.”  
( NPCC Act, 1999)

## Strategic Direction

### Vision

Better Living for the Nation

### Mission

Make Mauritius Work. Together

### Core Objective

Development of a Productivity Mindset

# NPCC MAIN PROJECTS 2017- 2021

## Youth & Community

**Purpose:** To promote creative/critical thinking among students for them to develop an entrepreneurial mindset.

**Objective:** To develop a pipeline of leaders among the youth who will act as agents of positive change in the Mauritian society.

**Purpose:** To bridge the digital divide and language divide as a means to improve productivity.

## Enterprises

**Objective:** to establish a roadmap with milestones for improving productivity and quality in enterprises

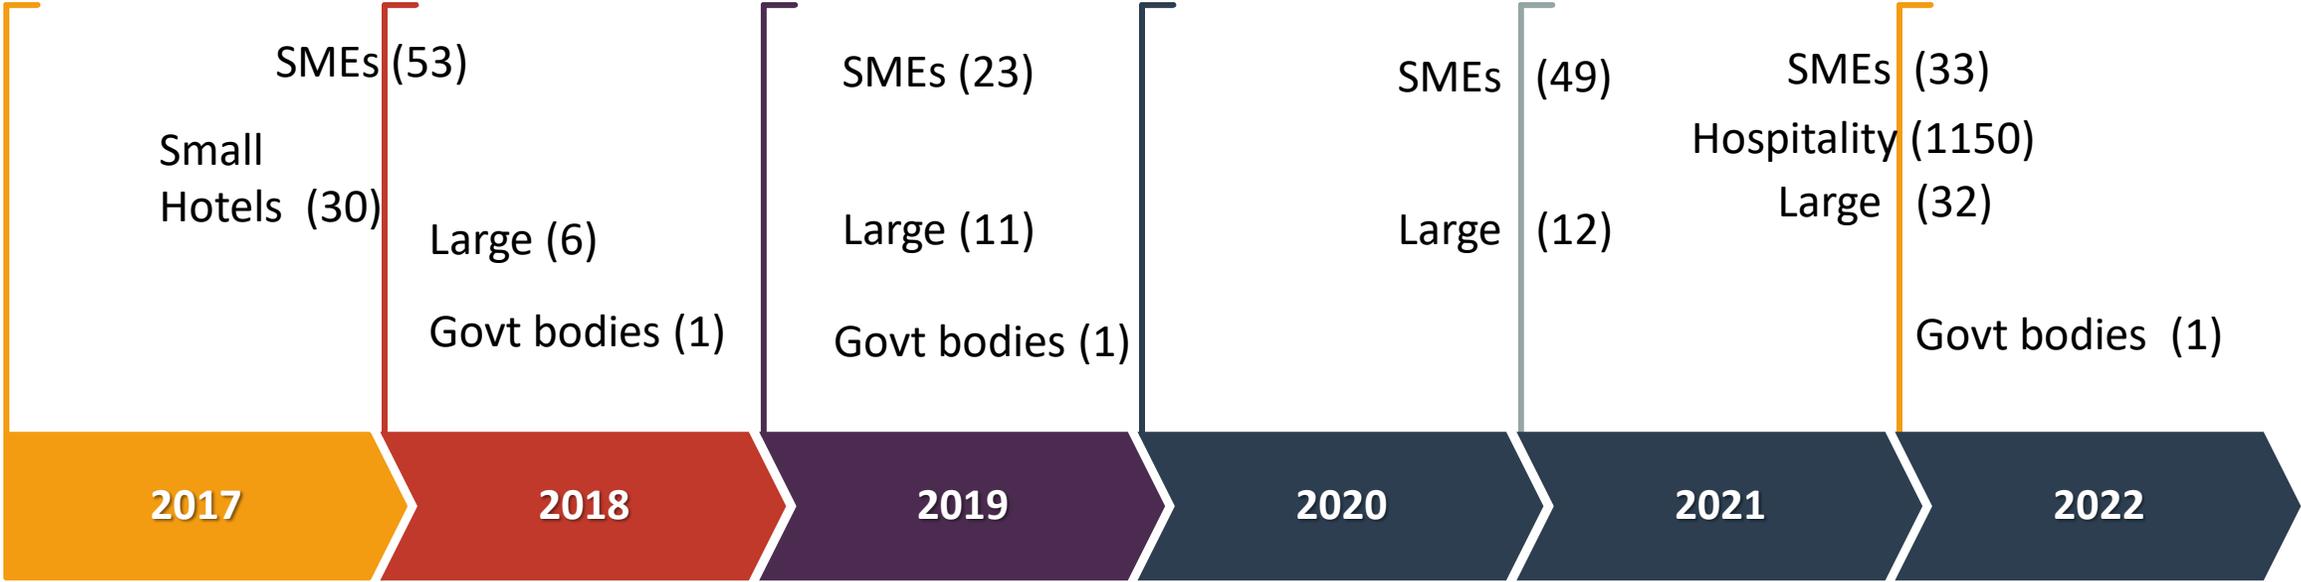

**Objective:** to meet the needs of SMEs amidst the urgency to Go Digital in the prevailing sanitary conditions of the COVID-19 pandemic.

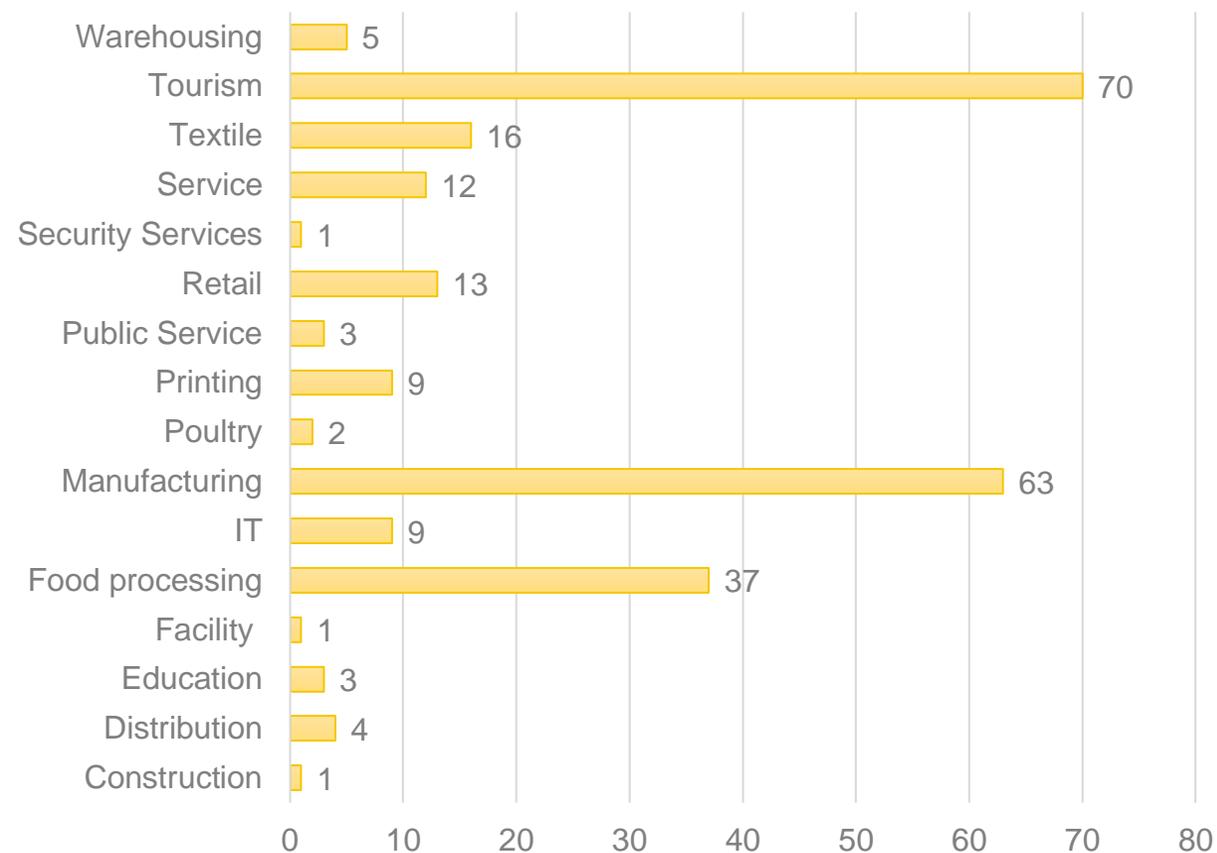

**Objective:** to provide online courses to enterprises.
