The background of the slide features a stack of several books, with the top one being open. Above the books, various mathematical and scientific symbols are floating in the air, including a plus sign, a zero, a question mark, a sigma symbol, a lambda symbol, a cross, a magnifying glass, a pencil, and a hand holding a pen. The symbols are rendered in a light, glowing style.

**Our mission is to
distribute recycled
RFID reusable case
to reduce costs and
waste in line with
the UN's Sustainable
Development Goals**

**Patent rental
revenue 1 billion
USD per year
From all items
uses by Human**

Let's **Recycle 400,000
tons of waste every year,
100 times **Reduce** RFID
tag costs, and **Reuse** RFID
Reusable cases for a more
sustainable future.**

**Thank you for your
attention!**
