

# How antigen-detecting rapid diagnostic tests (Ag-RDTs) will change the course of COVID-19 pandemic

JICA COVID-19 Webinar Series starting January 2021 brings together various leading health professionals from Japan to share Japan's knowledge and experience on COVID-19 response and discuss the implications of their work. The webinar is intended primarily for health professionals in low- and middle-income countries.

(Japan Standard Time)

**Wednesday, 2 June 2021 | 18:00 – 19:30**

Language: English/French (French: simultaneous interpretation)
