

7th Webinar

To Realize Unknowns About COVID-19 Vaccines

JICA COVID-19 Webinar Series starting January 2021 brings together various leading health professionals from Japan to share Japan's knowledge and experience on COVID-19 response and discuss the implications of their work. The webinar is intended primarily for health professionals in low- and middle-income countries.

The 7th Webinar focuses COVID-19 Vaccines. We receive various information on vaccines but do we understand them correctly? The guest speaker, Dr Nakayama will provide lecture on the essential and latest knowledge on COVID-19 vaccines.
