Human Security and Development

4

All human beings are born free and equal in dignity and rights. They are endowed with reason and conscience and should act towards one another in a spirit of brotherhood.

(Universal Declaration of Human Rights, Article 1)

5

Act so as to treat humanity, whether in your own person or in that of another, at all times also as an end, and not only as a means.

(Immanuel Kant, *Groundwork of the Metaphysics of Morals*)
