

Framework of Study

Sub-Program/Component

Fields of study, so called “**Sub-Program**” and “**Component**”, correspond to and deal with the target Priority Areas for the social and economic development of Kenya.

The participants of JDS shall be selected from the “**Target Organizations**” whose mission is closely related to the respective “**Sub-Program**” and “**Component**”.

This approach gives its most importance on “**Selection and Concentration**” on the development issues of the country, securing further effectiveness and efficiencies of the JDS Project.
