Introduction to

Networking Seminar on KitaQ System Composting in Asia and JICA KIC Training Activities

Akihiko Kodama
Training Program Division, Kyushu International Center
Japan International Cooperation Agency

国際協力機構

Outline

1. Introduction to JICA KIC
 - (1) What is KIC?
 - (2) What does KIC do?
2. Introduction to the Networking Seminar
 - (1) Background
 - (2) Purpose
 - (3) Contents

国際協力機構

1. Introduction to JICA KIC

What is KIC? - location

JICA branches in Japan

国際協力機構

1. Introduction to JICA KIC

What does KIC do? (1)

Citizen participation programs

- Japan Overseas Cooperation Volunteers (JOCV)
- JICA Partnership Programs

Community-based Solid Waste Management System
Development Project in Sibu Municipality

国際協力機構

1. Introduction to JICA KIC

What does KIC do? (2)

Training programs

- Seeing is believing!
- Focus on Environmental management and energy & resources

Waste Management Technique and Environmental Education

国際協力機構

1. Introduction to JICA KIC

What does KIC do? (3)

Facts of training programs in KIC (as of 2010)

22... Years old
 97... Countries
 146... Training Programs
 823... Participants

For environmental management and energy & resources...

39... Training Programs
 333... Participants

国際協力機構

1. Introduction to JICA KIC

What does KIC do? (4)

JICA's strategy on waste management

1. Building a sound material-cycle society
2. Developing capacity of governmental organizations
3. Improvement in collection, transportation and disposal

Table 1 Achievements in waste management sector (FY 2000 to FY 2009)
 * Japanese fiscal year (FY): April-March
 Technical cooperation

Assistance type	Technical cooperation project	Technical cooperation for development planning	JICA Partnership Program	Individual experts	Trainees	JOCV/ (Junior Volunteers)	SV/ (Senior Volunteers)	ODA Loans	Grant aid project
No. of projects	29	22	22	139 (pers)	1710 (years)	91 (pers)	66 (pers)	4	10
Total amount of projects (yen)	3,663,000	5,574,900	145,824	747,771	2,370,004	200,904	387,223	24,427,000	2,400,000

Total amount of cooperation in the field of waste management for FY 2000 - FY 2009 period:
39,903,114 (thousand yen)

国際協力機構

2. Introduction to the Networking Seminar

Background

JICA's works

Kitakyushu's works

KitaQ System Composting

国際協力機構

2. Introduction to the Networking Seminar

Contents

1. Presentations
 - By cities
 - By related organizations
 - By experts
2. Site visits and observations
 - To a farm utilizing compost
 - To a workshop for community
 - To a waste treatment facility
3. Discussions among participants

国際協力機構

2. Introduction to the Networking Seminar

Purpose

1. Sharing good practices and challenges
 - Feedback to related projects
 - Development of educational materials
2. Enforcement of partnerships
 - Assessment of needs & seeds
 - Development of strategies in the future

国際協力機構

Thank you very much for your attention!
