Form 5 (related to Article 2)

Date / /

Name:

Future Plan

*This program aims to nurture future Nikkei community leaders to encourage economic growth and development in Nikkei society and the country of its location. Answer and describe your view of the following: 'how can you contribute to your home area and Nikkei society in the future with the research and experience you intend to acquire via graduate school?' Any plan that does not indicate benefits for a Nikkei community will not be evaluated.
