

18th Technical Working Group Meeting

February 28, 2024

The Project's 18th Technical Working Group (TWG) Meeting was held at Bayview Park Hotel Manila on February 28, 2024. The meeting was attended by 27 members, including DOH officials, private service providers, JICA experts, Japanese researchers, and JICA staff members.

The TWG members were updated on the activities conducted between March 2023 and February 2024 and discussed a continuous plan of INTPREPRET and ENTREPOSE activities beyond the project operation period. The members agreed to conduct a final seminar on May 21, 2024.
